Title: Assured Contract Farming System for Stable Market Access

Description: Background: Farmers often face uncertainties in market access, leading to fluctuating incomes. Contract farming can provide stability by ensuring farmers have guaranteed buyers for their produce. Description: Develop a comprehensive platform that facilitates assured contract farming agreements between farmers and buyers. This platform will enable transparent communication, secure contracts, and timely payments, ensuring farmers have a reliable market for their crops. Expected Solution: An online marketplace that connects farmers with potential buyers, offering tools for contract management, price negotiation, and secure payment processing, thereby enhancing income stability and reducing market risks
